

2007 Quiz Report

Comox Valley Pony Club hosted the 2007 event at Lake trail middle school March 31. It was a very successful event attended by 98 competitors from Peewee to B level competitors. Claire and Mel worked hard to put it all together meeting with others for support and assistance. Special thanks to Peggy for being my proofreader and suggesting changes and improvements to the Quiz test ID stations especially for the upper levels. Thank you to Karen Harrison who worked hours to put the written exams together. Ali did a fabulous job of putting the jeopardy games together. We had **lots** of parent help for the event to supervise the teams and the tables. Thanks especially to Nancy and her team for the excellent lunch and snacks. Thanks also to Sandy Caverly from Metchosin PC for helping with scoring and also my wonderful husband!!

New to quiz this year was Battle of the Breeds a contest between the clubs of fun relay type educational things to help pass the time between tabulating scores and presentations.

Quiz was not a moneymaker this year as the entries have been declining over the years and our costs for rental and supplies were high. New Mini Jump course was made and will be passed as needed to any one putting quiz on.

We will most likely be hosting quiz this year again if it is agreed and I would gladly be available to help.

Claire Borley.
