Report was given by the PPG representative Marlene Hackert and states as follows:

The Comox Valley Pony Club had a very successful PPG year. We started our practices in March. We were very fortunate to have an indoor riding ring space donated for our use. We invited all our pony club members to come out and participate in the games.

We ended up with three teams. A masters team with five riders, a Team A with five riders and finally a Team C with four riders, We were very fortunate to get a total of ten practices.

Our Prince PHilips Games were held this year at Avalon. Both our Masters team and our Team A placed first in their competitions. Team C came in third place in their competition. In all it was a very enjoyable and fun event for our riders.
